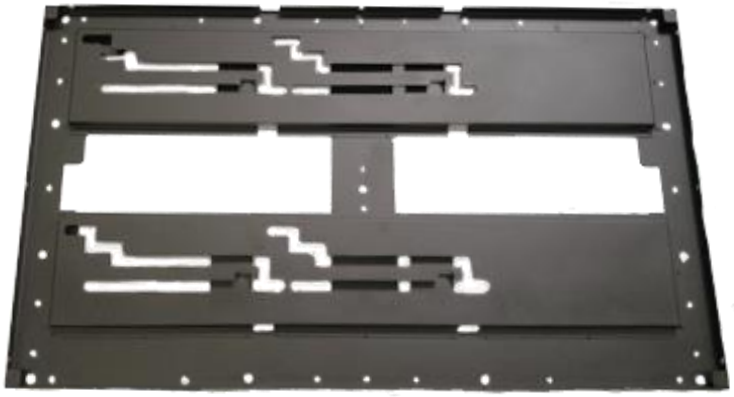
Z-Shift Slim Mount (ZSM)



Z-Shift Slim Mounts (“ZSM") are Z-Shift mounts designed specifically for Slim+ (ZEN-Series) displays. Along with the ease of installation and alignment associated with standard Z-Shift Mounts, these mounts allow for an ADA-compliant, sub-4” mounted depth when combined with Slim+ Displays. As with all GPO Display proprietary mounts, side covers/trim are included.

Specification

Model	ZSM46, ZSM55
Screen Size (Diag.) Supported	46”/55” UNB
Technology	Shift-Lock
Net. Weight	Dependent upon size
